

Shrink Your Footprint: On Your Plate

Wednesday, April 1, 2020 | 7:00 - 8:30 PM
Princeton Public Library, Community Room

Our food choices contribute to our carbon footprint and have an impact on greenhouse gas emissions globally. Learn what changes you can make to what you put on your plate to combat climate change.

This is the final program in Sustainable Princeton's 2019-20 Great Ideas series focused on practical, actionable, and evidence-based steps to reduce the footprint of our daily lives..

Thank you to our generous sponsor  and our partner
